## Mission Statement

## A Brief History

To provide our clients with the best quality of printing at a reasonable and fair cost using the best staff and the latest technology possible.

Good Time Printing has been serving Ocala and its neighbors for over 27 years. GTP was established in 1984 by Ken Green. Butch and Kim White became partners in 1989. Ken retired in 2003. Good Time Printing still thrives today because of its dedicated staff and the commitment to giving their clients the best possible product, with the friendliest service in town.

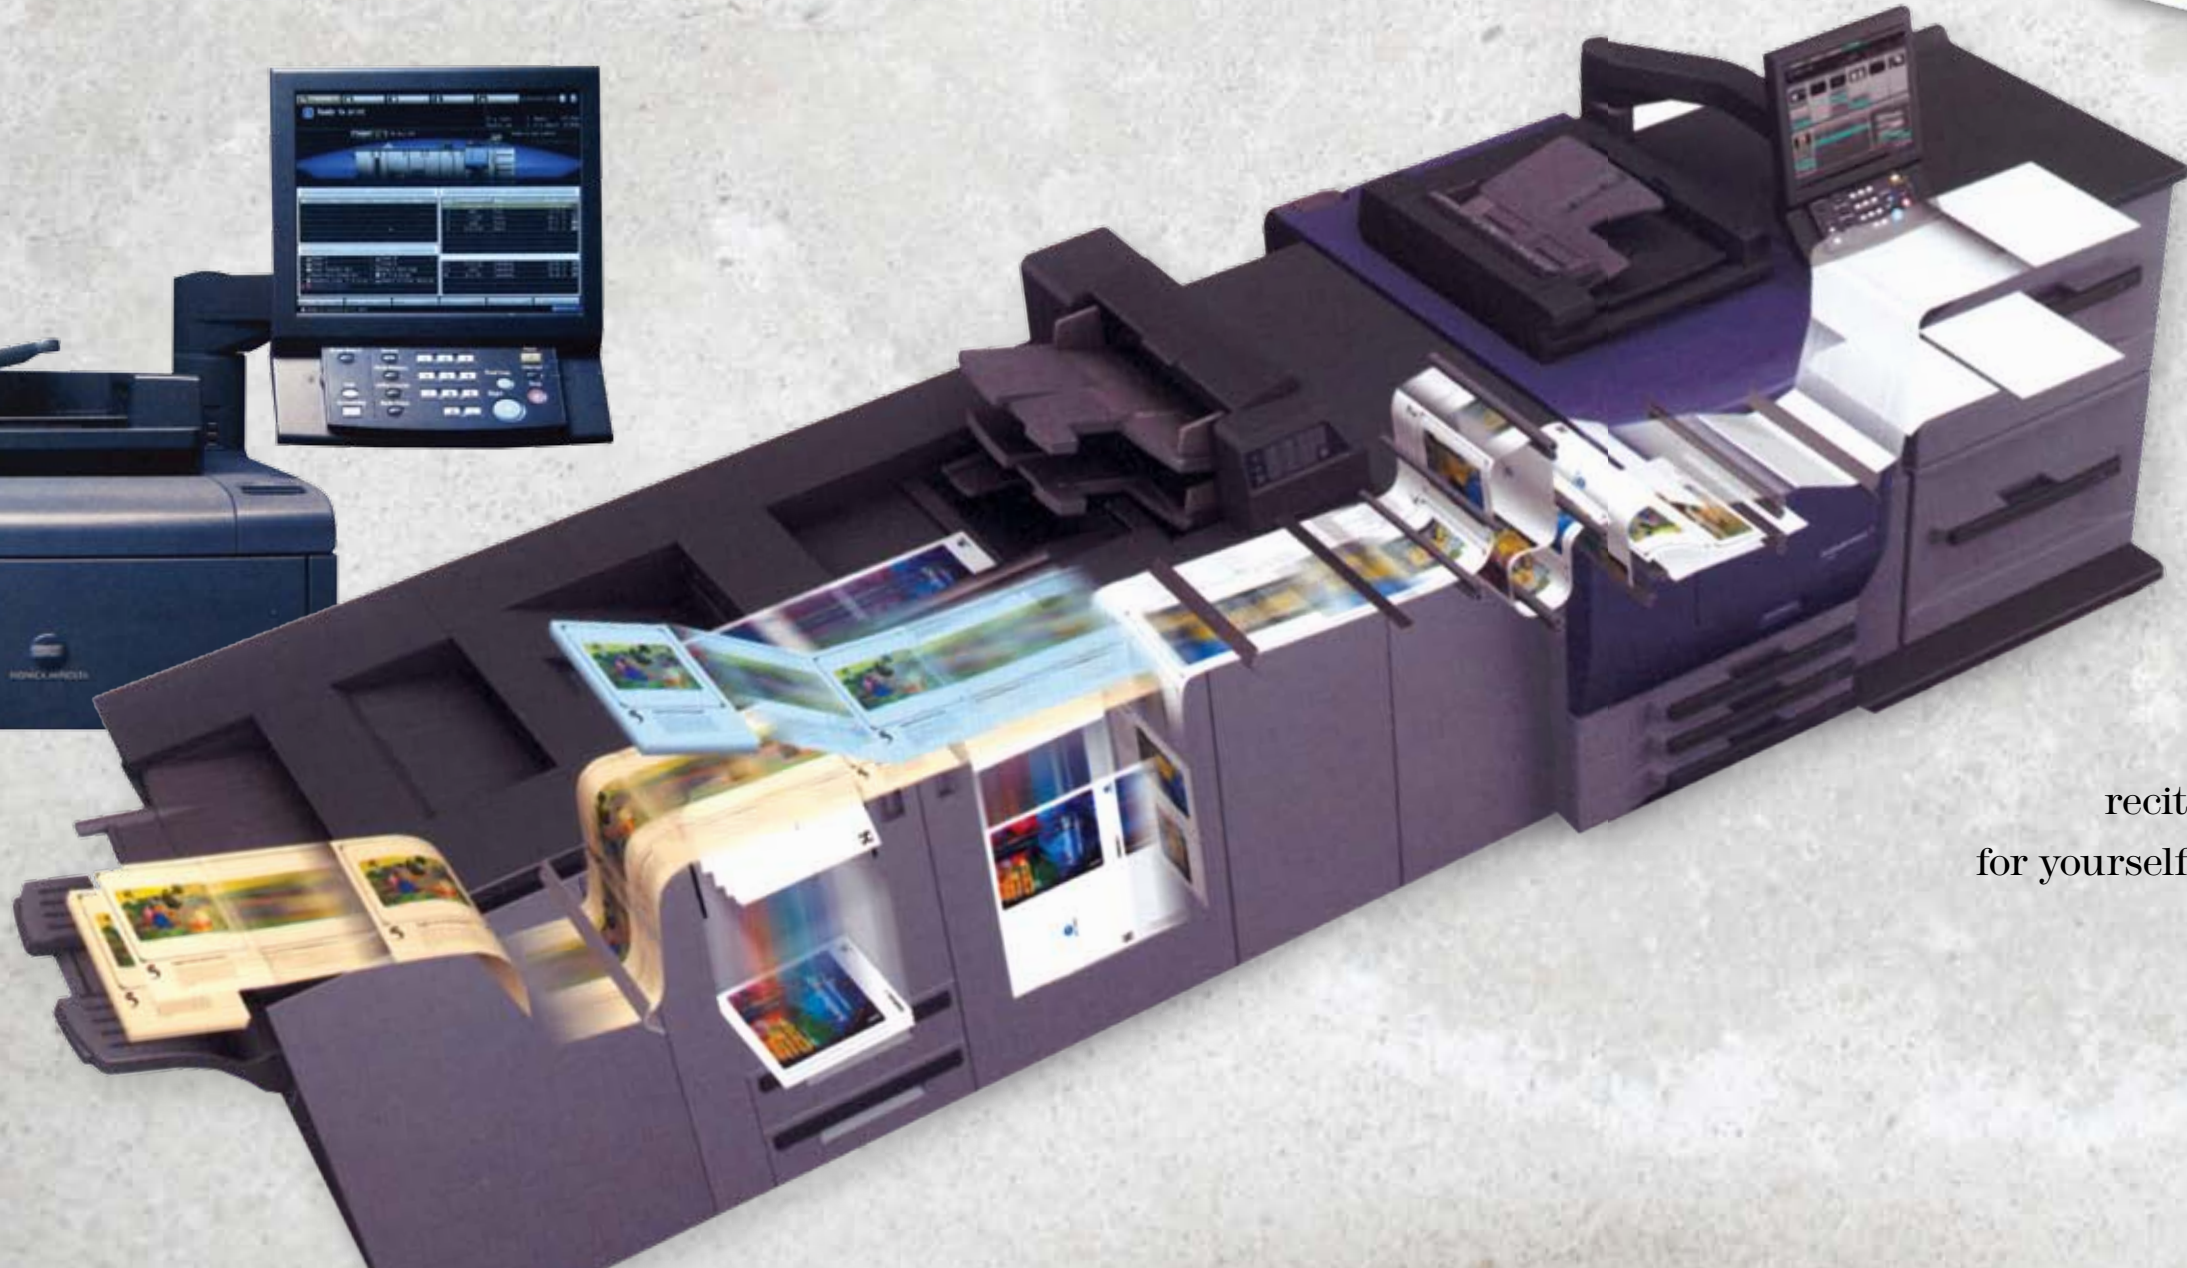

# Introducing our Newest C-7000 Digital Press

Our new state-of-the-art C-7000 can produce a forty page program in approximately one minute, once the files have been ok'd and sent to the press. This includes folding, collating and saddle stitched with a final face trim. The time saved, allows GTP to be competitive in its pricing. This entire booklet was printed on the C-7000.

Products with short run lengths are ideally suited for this machine. Products include annual reports, flyers, postcards, calendars, pocket folders, newsletters, company brochures, yearbooks and programs for church functions, dance recitals, and special events. See for yourself what we can do for you!
